

Dear Agents,

Please be advised that, in accordance with a New York State Department of Financial Services requirement, any Dryden Mutual policyholder who currently maintains or previously maintained a Homeowners Insurance policy with Dryden Mutual may be eligible for a premium credit or refund **if the insured residence had hurricane/storm shutters or hurricane resistant laminated glass windows or doors installed on all exterior wall openings in the structure of the dwelling.**

A notification letter has recently been distributed to Dryden Mutual policyholders. If you have an insured who meets the eligibility criteria for any period during which they were covered by Dryden Mutual, please direct them to contact Shelley Mancini at our office at 607-844-8106.

Please note that appropriate documentation verifying installation must be provided for any premium credit to be considered.

Thank you for your attention to this matter.

Sincerely,

Peter J. Vercillo

President and CEO
